Corporate Profile

AGRILINK is a dynamic business facilitator, headquartered in Dubai – the world's premier hub for global trade and innovation. As winners of evolving market demands post-Expo 2020, we specialize in supplying a premium portfolio of Animal Feed Ingredients, Feed Grains, and Protein Meals to meet the evolving needs of feed manufacturers and traders. Our focus is on key markets in Southeast Asia (Singapore, Malaysia, Vietnam, Indonesia) and the Middle East (Oman, UAE, Kuwait, Saudi Arabia, Iran), where we deliver reliable, high-quality sourcing for sustainable animal nutrition.

Our global network empowers us to offer world-class services and trading insights, enabling customers to make informed decisions with 360-degree market intelligence on feed grain trends, pricing, and supply disruptions.

Our Customer Policy

"A Customer is the most important visitor on our premises. He is not dependent on us, but we are dependent on him. He is not an interruption in our work. He is the purpose of it. He is not an outsider in our business, he is part of it. We are not doing him any favor by serving him, rather he is favoring us by providing an opportunity to serve him."

– Mahatma Gandhi

With a sustained CAGR of 19.8% over the past decade, Agrilink has achieved our vision of leadership in the sector.

From merely 32,000 tons indented in 2015, we've grown to over 130,000 tons in 2025 and our mission for 2025-26 is to facilitate 200,000 tons of agriculture products (grains, cereals, beans, Feeds...) emphasizing feed grains for the feed industries in **Southeast Asia and the Middle East**.

AGRILINK is expanding aggressively into high-growth regions like Singapore, Malaysia, Indonesia, Oman, Kuwait, Saudi Arabia, and Iran, alongside our established presence in Vietnam and other areas. We identify synergies in feed grain demand, driven by rising livestock and aquaculture sectors.

With over two decades of global trading expertise in our core management team, we commit to comprehensive international trading services, including marketing, logistics, and after-sales support.

AGRILINK focuses on acquiring and planning resources to deliver the highest quality services to professional standards, with personalized engagement that today's feed industry demands. We are committed to building and enhancing a value chain that delivers delight from "**Farm to Feed Mill**" in the trade.
